

Confecção de Cabos de Rede (CAT 5)

```
graph LR; A[Confecção de Cabos de Rede (CAT 5)] --- B[Tipos de Cabos]; A --- C[Materiais e Ferramentas]; A --- D[Processo de Confecção (Crimpagem)]; A --- E[Diagramas de Conexão (Padrão EIA 568B)]; A --- F[Configuração Lógica (Rede P2P sem Hub)];
```

A mind map diagram with a central node on the left and five branches extending to the right. The central node is a light purple rounded rectangle. The branches are light blue rounded rectangles, each with a small light blue circle containing a greater-than sign (>) at its right end. The branches are connected to the central node by thin purple lines.
